Instructions for reservation form:

This form will be available on our website:
www.fratellanzaclub.com
 or from the ticket window on dinner night.

We are asking that the head of each group fill out the shaded area of the form.
 Based on the information provided, the ticket sellers will determine the amount owed.

Having the form filled out before coming to the ticket window to purchase tickets should speed up the ticket line considerably.

You may not know what all of the different categories are. Chances are if you don't know the meaning of a category, it probably does not apply. If you do have any questions our ticket sellers will always be happy to help you!
